Dear Mr. Kolimechkov

CONFIRMATION OF QUALIFIED TEACHER STATUS (QTS)

I can confirm that you do hold QTS for the purpose of teaching in maintained schools and non-maintained special schools in England.

Your date of recognition is **06 March 2014** and your Teacher Reference Number is **1387592**. QTS is non-subject and non-age range specific. You are, therefore, eligible to seek posts covering the range of National Curriculum subjects, to any age-range. I can also confirm that this QTS has neither been suspended nor revoked.

This award has been made under Directive 2005/36/EC; as such you are exempt from the requirements to serve a statutory induction period.

If an employer wishes to confirm your status they can contact the National College for Teaching & Leadership's Employer Access team by e-mailing employer.access@education.gsi.gov.uk

Should you have any queries, please contact the QTS and Induction Division on 0207 593 5394. If you contact us please quote your Teacher Reference Number.

Yours sincerely

Carole Lawton
